"Missouri never questions the eligibility of a man if he is ok'd by the authorities of the school for which he plays, and I will not dispute the claims of any of the Texas players if their names have been sent in by the proper persons." This is what C. L. Brewer, director of athletics, said just before he stepped on the train to go to St. Louis yesterday afternoon.

"Of course, all of the men have to be ok'd by the authorities and not by the coaches. We will not allow any man to play whose name does not appear on the eligibility lists. We are playing Texas under the conference rules, and I feel sure that the coaches there are not thinking of playing any men who would not be eligible under these rules."

"Will Carlton, the 220 pound tackle, be allowed to play?" he was asked.

"There has been some talk of his eligibility, but I know for a fact that he broke his arm in his sophomore year, which kept him out of the game the entire season. He will be allowed to play, as will Captain Dittmar if their names are sent in by the University of Texas authorities."

A great deal of interest has been taken in the question of eligibility of these men, as their presence in the line-up Saturday would materially aid the Longhorns.

Kemper Reserves Section
at Texas Game Saturday.

The faculty and students of Kemper Military School at Boonville have reserved a section in the bleachers for the Texas game Saturday. Though only about 150 students are in the school, the delegation to Saturday's battle will be at least 150, including both faculty and students.

The Missouri alumni in Kansas City have sent word that many of them will be here Saturday to watch the Tigers.

"Bill" Muir Undergoes
Operation for Blood Clot.

William ("Bill") Muir, Tiger right tackle, underwent an operation this morning at Parker Memorial Hospital for a blood clot in the leg. He was injured in scrimmage Monday afternoon.

Longhorns Will Practice
at Boonville for Clash.

Van Gent and his herd of Longhorns left Austin at noon today for their invasion of the Tiger camp. They will stop at Boonville, where Houston Hart, a graduate of the School of Journalism, has made special arrangements for the Texans to work out. They will leave Boonville Saturday morning, going direct to Rollins Field.

The following probably will be the line-up against the Missouri team: Hart, left end; Carlton, left tackle; Conley, left guard; Dittmar, center; Harwell, right guard; Johnson, right tackle; Dolan, right end; Trabue, quarterback; Hedrick, fullback; Sens, right half; Waits, left half.

C. H. S. to Play Richmond
With Two Regulars Out.

The Columbia High School football team will line up against the Richmond High School eleven at the Fairgrounds tomorrow afternoon with two of its regular backfield men missing. Petty, captain and quarterback of the team, has malaria fever, while Reid, fullback, broke a rib in yesterday's scrimmage and will be kept out of the game for some time.

Despite these misfortunes, Coach Schoeller is confident of turning back the Richmond eleven in the race for the State title and says his team will fight all the harder in the face of the odds which are against it. Woods will be moved from center to fullback, with Claret filling the position at center. Henderson will lead the team at quarter, and his place at tackle will be taken by England. With the exception of these changes, the line-up will be the same as the one which started the Slater game last week.

Woody will referee with Hughes of Richmond acting as umpire and Paul Vogt as headlinesman. The game will be called at 3 o'clock.

S. C. Hunt Honored by Bankers.

S. C. Hunt, vice-president of the Boone County Trust Company, is the new secretary of group number five of the Missouri Bankers' Association, having been elected at a recent meeting in St. Louis. Group number five comprises fourteen counties in the eastern half of the state, along the Missouri river.

NEW HOTEL BIG IN FIGURES

Nails, 200,000 of Them Required For
Boone County Tavern Framework.

Figures are very much like political campaign speeches, useful, in fact necessary, but may or may not be interesting. Here are some on the Daniel Boone Tavern that might interest the casual reader, ought to interest the calculating reader and certainly will interest the engineer. One hundred and twenty-five thousand cubic feet or 4,000 wagon loads of earth were removed from the lot of the building in making the foundation. Four hundred and ninety-six thousand pounds of steel and 45,630 cubic feet of concrete will be required to complete the frame of the building, while 7,500 square feet of glass will be used for the windows and doors.

The forty men working daily on the building have had, in all, to hit over a ton or approximately 200,000 nails square on the head in putting the board frame together, and the bricklayers, alone, will have to place over half a million bricks in building the outer walls. About 252,000 square feet of plastering is being used.

The Tavern measures 113 feet on the front, 88 feet on the side, is 62 feet high, and occupies a space of 737,000 cubic feet. There will be 58,000 square feet of partitions in the building and 60,000 square feet of floor space. The hotel will be five stories high, with 101 guest rooms, 53 baths, dining room, barber shop, lobby space of 6,000 square feet and ball room space of 3,300 square feet or 63,000 cubic feet.

MACCABEES DEDICATE NEW HALL

More Than 300 Persons, Including
Visitors, at Program and Dance.

The Maccabee Lodge met last night to dedicate its new hall over the Central Bank. More than 300 persons were present, including women of the auxiliary and visitors.

The program consisted of an address of welcome by George S. Starrett, followed by readings by Mrs. Maud Martin, Patton Hill, Mrs. Al James and Mrs. Noel Edwards. S. H. Mc Masters of St. Louis, great record keeper, talked on the organization of the order and explained the new plans for insurance and other benefits. The program was followed by a dance.

The Columbia lodge was the seventh organized in the state. Its membership includes 285 men, with 46 women in the auxiliary.

Historical Society Receives Pamphlet.

The State Historical Society has received a pamphlet of verse from John E. Rothensteiner, one of the trustees of the society and minister of the Church of the Holy Ghost in St. Louis. This is the seventh book of verse to the society Father Rothensteiner has sent. It is called "German Songs of Americans." With it came the annual report of the Catholic Union of Missouri.

GETTING UP NEW DIRECTORY

R. E. Hackman Will Issue City Book
About December 15.

The 1917-18 City Directory will be out about the middle of December. R. E. Hackman and part of his force arrived in Columbia this morning to take care of the preliminary work.

"There will be four of us on hand Monday," said Mr. Hackman, "to begin work on the directory. It will take about four weeks to canvas the town and then another two weeks to get the book printed. It will be much larger this time than ever before, owing to Columbia's growth and in the street directory will be the added feature of a list of all property owners."

The directory is gotten out every two years and Mr. Hackman has had charge of it for the past twelve years. As in the past it will sell for \$4.

How do your cigarettes treat you
AFTER you smoke them?

(This is a test that few cigarettes can stand up under)

Many other good cigarettes besides Fatimas taste mighty good—WHILE you are smoking them. Fatimas are not the only good ones. Although Fatimas taste so good that they continue to outsell any other cigarette costing over 5c.

But Fatimas deliver something more than good taste. They will give you cigarette comfort—comfort while you are smoking them and comfort AFTER you smoke them.

While you are smok-

ing them, they will feel cool and comfortable to the throat and tongue.

And AFTER you smoke them—even though you may smoke more than usual—they will leave you feeling as you'd like to feel. No heavy or "heady" feeling—none of that "mean" feeling of having smoked too much.

All this is the reason why Fatimas are called a SENSIBLE cigarette.

Yes—some day you will try Fatimas. Why not do it today?

Harry de Lashmuth Held Up.

Harry de Lashmuth, a graduate of the School of Journalism, was the victim of an attempted holdup in St. Paul last Saturday night while walking along a street when two men ordered him to stop. Instead of obeying, he ran away. He reported the incident to the police, giving a description of the men. He told them he thought he saw a gun but did not stop to investigate. Mr. de Lashmuth has been working as a reporter on the Pioneer Press staff, and has been reporting the police news.
